

Whether you're seeking employment in the geosciences, or looking to fill positions with qualified candidates, take advantage of GSA's Employment Service Center.

GSA Employment Service Center

Looking for qualified employees in the geosciences?

Visit our on-line database of hundreds of professionals in over 30 specialties

For more information visit:
www.geosociety.org/Employment_Service/
 or contact Jennifer Nocerino at:
Email: EmploymentService@geosociety.org
Phone: 303-357-1036

P.O. Box 9140 • Boulder, CO 80301-9140 • www.geosociety.org

Employer Services Include:

- **Resume search**
- **Posting of job announcement(s) on-line and at the GSA Annual Meeting**
- **Interview booth and scheduling**
- **Message service to and from applicants**

Cost: Access to the on-line applicant database is only \$300; for an additional \$25 a message service at our annual meeting is included. Full service, which includes interview booth space at our Annual Meeting, ranges from a one half day booth rental to multiple days, and starts at \$400.

Reserve your interview booth by 10 August for a 15% discount on all your interview booth costs.

The Employment Service Center (ESC) maintains a **Web-based database** of applicants seeking career positions in the geosciences. Participating employers have access to applicants' profiles customized according to the employers' specific search criteria.

Additionally, the ESC offers opportunities for employers to connect with candidates in **face-to-face interviews** at GSA's Annual Meeting held each year in October or November. Included with this service is posting of available positions on the ESC Web site and at the Annual Meeting, along with a **message service** to and from applicants.
